director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if the Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation and with respect to a criminal action or proceeding, if the indemnitee had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, does not, of itself, create a presumption that the Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification of Directors and Officers: Claims Brought by or in the Right of the Corporation. The Corporation shall, to the fullest extent authorized by the Michigan Non-Profit Corporation Act, as amended, indemnify a director or officer (the "Indemnitee") who was or is a party to or is threatened to be made a party to a threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses (including actual and reasonable attorneys' fees), and amounts paid in settlement incurred by the person in connection with the action or suit, if the Indemnitee acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the Corporation. However, indemnification shall not be made for a claim, issue or matter in which the Indemnitee has been found liable to the Corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for the expense which the court considered proper,

Section 3. Advancement of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding described in Sections 1 and 2 above shall be paid by the Corporation, promptly after request by the Indemnitee in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on

behalf of the Indemnitee to repay the expenses if it is ultimately determined that the Indemnitee is not entitled to be indemnified by the Corporation. The undertaking shall be by unlimited general obligation of the Indemnitee on whose behalf advances are made, shall not be required to be secured and shall be accepted without reference to financial ability to pay. In the event the Corporation fails to advance such expense as required hereunder within Thirty (30) days of the request therefor, the Indemnitee shall be entitled also to collect interest thereon at the rate of Eight Percent (8%) per annum from the date of the request.

Section 4. Approval of Indemnification. An indemnification under Section 1 or 2 hereof, unless ordered by a court, shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the Indemnitee is proper in the circumstances because he or she has met the applicable standard or conduct set forth in Sections 1 and 2. This determination shall be made in one of the following ways, as designated by the Indemnitee in his or her sole discretion:

(a) By a majority vote of a quorum of the Board consisting of directors who were not parties to the action, suit or proceeding;

(b) If the quorum described in Sub-Paragraph (a) above is not obtainable, then by a majority vote of a committee of directors who are not parties to the action; provided, the committee shall consist of not less than Two (2) disinterested directors;

(c) By independent legal counsel in a written opinion.

Upon written request by the Indemnitee for indemnification (which request shall designate a method of determination described above), the Corporation shall, at its expense, take all actions necessary to make the determination (utilizing the method of determination designated by the Indemnitee) as expeditiously as possible but within not later than One Hundred Eighty (180) days after such request. The Indemnitee shall have the right to petition a court of appropriate jurisdiction: (i) to make the determination if the Corporation fails to do so within the time allotted; or (ii) to review the determination if the determination denies indemnification in whole or in part.
